

Public Policy Receptions Sponsorship Package

We are excited to offer the following sponsorship package for our annual Public Policy Receptions in Harrisburg, Washington, D.C., and Pittsburgh. Sponsoring our three signature receptions provides a unique platform to engage with elected officials serving our region at local, state, and federal levels. These receptions are crucial for strengthening relationships between the business community, stakeholders, and elected officials, celebrating shared achievements in economic development and competitiveness. Our policy priorities, deeply integrated with these events, focus on advancing legislative agendas that align with and support our broader regional goals.
